About Me

As a Frontend Developer, I've created over 10 projects that combine functionality and style seamlessly. Alongside my work in Graphic Design, I've collaborated with 5+ YouTubers, enhancing their visual branding. My goal is to craft engaging digital experiences that leave a lasting impression.

Experience

Graphic Designing 2020-2023

Designer

Collaborated with well-known Youtubers to create visually appealing and engaging YouTube Thumbnails, Banners, Posters and Logos.
